

21 DAYS  
OF  
PRAYER

## **Isaiah 61:4 NLT**

They will rebuild the ancient ruins, repairing cities destroyed long ago. They will revive them, though they have been deserted for many generations.

# DAY 1 | ISAIAH 61:4

Isaiah 61 is a powerful chapter of the Bible. It is a powerful promise and a beautiful representation of the character of God. It's a great picture of what He does so well as our Savior. In the first three verses, God is prophesying through Isaiah, what Jesus will come to earth to do. He declares that He will come to preach good news, heal the broken hearted, proclaim freedom for the captives, and bring comfort, and JOY! Then, in verses 4-7, He declares what God's people will do, that's us! Isaiah 61:4 specifically says that we will rebuild, repair, and revive things with Him!! Over the next 21 Days, we will break through the heaviness and chaos of 2020 and pave the way for the great things God has in store for 2021! We will pray, we will fast, we will take back ground in the spirit realm together! There is no question that the world is hurting and longing for a rescue... ..It is time to rebuild. It is time to repair. It is time to revive!

## Prayer:

*Heavenly Father, thank You for your character. Thank You for who You are. Thank You that You never leave us and never forsake us. Thank You Jesus that You train us, prepare us, and equip us for seasons we don't see coming. Thank You that You love us and believe in us and that You have made us strong and capable to rebuild, repair, and revive with You in 2021! In Jesus Name, Amen.*

## Thoughts/Notes

# DAY 2 | REBUILD

*Definition: to build something again after it has been damaged or destroyed.*

We are fully aware that we have an enemy that wishes to steal, kill, and destroy any and every good thing that comes from God! But Jesus has come that we may have LIFE, and to have life to the fullest! {John 10:10} Being stolen from and watching things that are valuable to us be destroyed is discouraging and painful. But we should not be caught off guard or even moved by these happenings. As Christ followers that are in the word daily, we can be ready to count it all Joy, to bounce back, and to believe again that with God, all things are possible. Let's focus in during this season of prayer and fasting together, let's engage the weapons of our warfare. Let's pray, fast, and catch His vision for 2021! Our best days are ahead, so get ready! The Rebuild is going to be far greater than the original!

## Prayer:

*Heavenly Father, today, we come to the rebuild site. We come as we are but we ask that you won't let us leave the same. We choose to believe that You have great things for us! We choose to believe that You are good and are already working. We choose to be a part of the rebuilding of the things the enemy has stolen or destroyed. We stand firm on Your promises and are ready, expectant, and even excited for what You are about to do in each one of our lives and in our Church! We love You Jesus and we declare You are Our King and Our Hope! In Jesus Name, Amen.*

**Thoughts/Notes**

# DAY 3 | REPAIR

*Definition: fix or mend a thing suffering from damage or a fault.*

When things seem beyond repair it's easy to want to give up on them, to just throw them out. Finding the motivation and patience to repair something can be a challenge, but we are God's plan A and there is no plan B! We have constant access to the endless hope of Heaven and we are more than conquerors in Christ Jesus. He believes in us! He created us and filled us with determination and an eye to see beauty in the midst of brokenness! As Pastor Jonathan has shared in a recent message, studies show that when a bone is broken, if it is set correctly and given time to heal, that that broken place actually becomes the strongest place! When we bring the broken places of our hearts and lives to God, He does what He does best, the thing He is most famous for. He not only repairs things, He makes all things brand new! Refuse to give in to shame and discouragement, God loves you and you can trust Him to repair!

## Prayer:

*Heavenly Father, I ask for Your eyes for the people and things around me. Jesus let me see what You see. Let me see the gold in people and help me to be a hope planter everywhere I go. God help me to live out the truth that with You ALL things are possible. All things are repairable! Jesus help us to dig deep and to be people of contagious and perpetual life giving hope & encouragement. Make us excellent peacemakers and people builders! We love You and we choose to partner with You in belief, to repair! Amen.*

**Thoughts/Notes**

# DAY 4 | REVIVE

*Definition: to activate, to set in motion, to take up again, or to bring back to life.*

King David cried out on multiple occasions throughout the book of Psalms for God to revive him, to rescue him, and to restore him in times of need! In Psalm 143 that cry looked like this:

“You must hear my prayer,  
for you are faithful to your promise.  
come quickly and answer me,  
for my depression deepens and I’m about to give up.  
Don’t leave me now or I’ll die!  
Let the dawning day bring me revelation  
of your tender, unfailing love.  
Give me light for my path and teach me, for I trust in you.  
Save me from all my enemies, for I hide myself in you.  
I just want to obey all you ask of me.”

Wherever you are, whatever you may need to be rescued from, the places or dreams that need to have life breathed into them, the dormant desires of your heart or the deep motivations that need to be awoken - do like David did and cry out for Jesus to come and revive!

## Prayer:

*Heavenly Father, revive us. Revive the dreams that we have let slip away. The creative ideas and Heaven breathed plans that You have for our lives. Activate us, set us in motion, give us the strength to take things up again and bring us back to life - in our families, our relationships, our love, and our purposes! Revive our passions, our families and our cities! We love You Jesus, Amen.*

**Thoughts/Notes**

## DAY 5 | ALL IN

There is a place in each of our hearts where we have the space, authority and opportunity to submit ourselves to the will of God. This battle with our mind, will, and emotions can be as long or as short as we want or need it to be. Regardless, it is GO time NOW. We can sit on the sidelines and complain and take inventory of all the work to be done, or, we can make quick work of the 'battle' and submit to the will of God for this year quickly. It is very hard to build something or rebuild something with someone who is not submitted to the plan and the process. Let's be moldable. Let's be teachable. After all, we only have 358 days left in 2021 to accomplish and uncover all of the goodness and growth He has planned for this year. Let's not leave anything behind. Let's be ALL IN!!

### Prayer:

*Heavenly Father, Thank You for free will. Thank You for the power and the privilege to be in genuine relationship with You and Your plans. Thank You that You do not force us but that You are so patient with us. Father, give us the grace, the perspective, the strength and the humility to submit to Your will quickly. To Your Master plan for rebuilding. God, break off depression, break off discouragement. We choose today to take a step in obedience to Your word. We choose to lay down anything we have acquired that is not of You. Help us to submit fully, birth in us supernatural determination. Help us to truly be all in! In Your Name, Amen.*

### Thoughts/Notes

# DAY 6 | PERSPECTIVE

When we are living Kingdom Minded, we never look at the world just as it is in it's physical condition. We are able to see a different, heavenly perspective. We are able to perceive things that are ahead, avoid mindless traps of the enemy, and ultimately rebuild something that really matters, something that will be better, more efficient, and have a greater level of impact than it did in the past. As we begin to rebuild, repair, and focus on each different area in our lives personally and in our Church; be encouraged! God never leaves things the same as He found them. Everything He touches is made new, made whole, and restored to a new level of excellence. Set your expectations high! Don't settle for what was great in the past, NEW GREATNESS IS IN STORE IF YOU'LL RUN AFTER IT!!

## Prayer:

*Heavenly Father, today we ask and seek for the mind of Christ. We ask Lord that we would have the faith to believe the heights and the depths of the goodness that You have for us in this new season. That we would have the eyes to see into the Heavenly perspective of the things that we face in the physical. Jesus, grow our understanding of the love and grace that You walk in. That we may truly be people who reflect Your character and that we would genuinely see the world around us through Your perspective. In Jesus Name, Amen.*

**Thoughts/Notes**

# DAY 7 | “THEY”

A common trap of the enemy is to try to convince you that you are uniquely discluded from the things God has for you. He uses this plan with precision to whisper disqualifications in our ears so that we do not participate in the rebuilding or so that we move into isolation. It is our job and our responsibility to believe the report of the Lord over our lives. To seek to find and then choose to believe Who God says we are. Here in Isaiah 61:1-3, Just before our theme verse, God declares over us, some powerful truths. He says that you are comforted, that you are freed, that you are going to walk in God's favor. Then, He offers you three powerful trades, beauty for ashes, joy instead of mourning, and praise instead of despair! He declares that He has planted you like strong and graceful oaks for His glory! Then, He declares that prophecy over you that we looked at yesterday: “They will rebuild!” That means YOU are equipped, YOU are prepared, and YOU are backed by Him to REBUILD! YOU are called!!

## Prayer:

*Thank you Lord for creating us in Your image. Thank You for speaking life and truth over us. Father we ask that You would show us what You have placed inside of us. Jesus help us to see the opportunity set before us, to co-labor with You! Thank You that we get to serve people and make a difference in the world with our lives. What a privilege to know You, serve You, and get to help You reach the ones You love! Give us renewed minds! Remind us who we are. Remind us who You are. In Jesus Name, Amen.*

**Thoughts/Notes**

# DAY 8 | PROPHECY

We live in a culture where this word and this gift is often misused and misunderstood. The gift of prophecy is meant for inspiration. For supernatural direction. And ultimately for the Body of Christ to have the opportunity to partner in real time with what God is doing. Our theme verse is all three of these things. It is easy to have faith for rebuilding to take place when the foundation is set, the finances are in place, and the workers just have the paint to add to the walls. But this verse is a call in the desolate. It is a powerful faith claim in the midst of brokenness. In fact, this verse is addressed directly to the poor, the brokenhearted, the captives, the prisoners, to those who mourn, and to those in despair. It is a powerful declaration of God's faith in us! "They will rebuild!" We WILL succeed in rebuilding!!

## Prayer:

*Heavenly Father, Thank You for the sweet gift of prophecy. For the privilege and the honor to partner effectively with You in our lives, in our homes, in our Church, and in our community. Today, we enter into intercession with You. We pray into and invest time in prayer into ushering in and preparing the way for the complete and detailed work You are prepared to do here. In our marriages, in our relationships, in our community, and deep in our hearts. We commit today to "pray through" for the clearing for and the building of the foundations. We declare Your promises. We hold fast to Your word and we partner in prayer with the truth that we WILL REBUILD! That it WILL come to pass and completion In Jesus Mighty Name!*

**Thoughts/Notes**

# DAY 9 | LET'S ASK GOD TO HELP US REBUILD...

Asking for help is hard. It is just human nature to want to appear strong and put together. The truth is, we can be strong and put together and still need help. In fact, because God made you for connection, oftentimes the help you receive is far less important than the connection and light you receive from the person helping you. We weren't made to do life alone. We were made to live in relationship and in unity. Over the next several days, let's ask God for his help to rebuild, for His wisdom to repair, and for Him to come and revive all of the broken areas in our hearts and our community!! Let's partner together in prayer to rebuild. Let's work together in unity to repair. Let's cry out as one for the Holy Spirit to come and revive!!

P.S. The Holy Spirit wants to encourage you today to hold nothing back. As Pastor Jonathan says: "You are only as sick as your secrets." Be set free today!! Romans 8:1 "There is therefore no condemnation for those who are in Christ Jesus" Freedom is far more valuable than reputation - get it all out there, and step into all that God has for you!! It's going to be a beautiful rebuild!

## Prayer:

*Heavenly Father, help us rebuild! God we bring to You each of the broken pieces and things that we see around us that needs rebuilding. Even the places we think look fine, we bring them all to You and trust Your mighty hand to do whatever You want to do! Thank You, Father, that there is no one that longs to see us and our communities made whole more than You! We hold nothing back and give You all that we have. Come and have Your way! Come and help us rebuild! Amen.*

**Thoughts/Notes**

## DAY 10 | ...OUR HEARTS

The Bible tells us that out of the abundance of our hearts, our mouth speaks. Our hearts play a vital role not only in our physical bodies but in our emotional and spiritual beings as well. In the same way our heart pumps blood to every organ and extremity of our bodies, so do the deep places of our hearts touch and affect each and everything we do and say. Taking the time to get our heart right and repaired from damage done is a valuable use of our time and progress moving forward. Sometimes God will heal our hearts with one touch and sometimes, it is most valuable to us in the long run to walk through the healing process with Him over time. Either way, if you are ready and willing to give Him that place in your heart that is painful or needs healing, He will be so kind and gentle to restore it completely. Sometimes our hearts hold the things we set there but never went back to. Take a few minutes to check up on the condition of your heart, even if you don't completely understand, offer it up to the One who created it and let Him make all things new.

### Prayer:

*Heavenly Father, today, I offer my heart to You. In the exact condition that it's in. This year my heart has experienced things it hasn't had to endure in the past. Father, I know You make all things new. Would You make my heart new? Would You renew and revive those places that have been worn or torn, broken or crushed. Would You pull away any discouragement, hopelessness, or lies. Would You replace them with Your love, Your hope, and Your truth! For the hearts of friends and family members that are hurting, Lord, would You bring them healing and wholeness. In Jesus Name, Amen.*

### Thoughts/Notes

# DAY 11 | ...OUR FAITH

The last year has not been what we had planned or hoped for... BUT GOD. When we keep in mind that the fight is always for our faith, we begin to break through. No matter what we face, or what the enemy throws at us, he's really only ever after one thing, and that is our FAITH. The truth is he doesn't want your health, your money, your peace, or your relationships, he just wants to wear you down and weaken your faith! This is where WE get to choose!! We get to choose whose report we will believe, the worlds? Or heavens truth! We get to choose to receive the free gift of salvation, to believe in and have a relationship with a God that is exactly who He says He is and so much more than our human minds could ever comprehend! Many of us had plans in 2020 that didn't happen and difficulties in 2020 that we wish didn't happen. Maybe some unanswered prayers or things we just don't understand? This is where we have a choice to make. Will we step into unbelief because it is not lining up with what we want or think should happen? Or, will we trust and believe that God's timing is perfect and His love for us is never ending. Whose report will you believe?? Let's put our faith firmly and joyfully in Jesus!!

## Prayer:

*Heavenly Father, we believe in you and in your master plan for our lives! We choose to hold fast to the truth that you work all things together for the good of those who love you and are called according to your purpose. That You are working and moving on our behalf even in the areas we can't see yet. Thank You, Jesus, for your sacrifice on the cross and that you love us so deeply. Thank you for walking with us and strengthening our resolve to follow you every trial and situation. Today, regardless of when or how our answer will come, we declare today that we will put our faith firmly in you! Make us unshakable again - we trust you! In Your Name, Amen.*

## Thoughts/Notes

# DAY 12 | ...OUR IDENTITY

Who we are matters. Who we believe we are matters even more! 1 John 3:1 “See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!” When we walk in the identity of Christ, we thrive. We make the most impact we can with the time we have been given here on earth! We understand the access we have been given to run to the King with any and everything we face. We understand the gift and the power we carry in being filled with the Holy Spirit, we begin to see the lost hurting and broken through different eyes and we fight for them and set them free! We become habitual peacemakers, miracle carriers, and bring light to every darkness. Take some time in the word today and remember WHO YOU ARE!

## Prayer:

*Heavenly Father, thank You that You have paid a great price for us and that You call us Your own! Thank You that Your word tells us that You are with us, {Zephaniah 3:17} the mighty warrior who saves! Thank You that You take great delight in us and that You even rejoice over us with singing! Thank You that You created us each so uniquely and beautifully. Thank You that You accept us and love us and that You are showing us exactly who we are. Give us eyes to see ourselves the way You see us, nothing more and nothing less! Then give us faith to believe the greatness and power we carry! The cure for the human race! Send us out in power today to love fiercely, forgive freely, and release freedom everywhere we go. I am who You say I am! In Jesus Name, Amen!*

**Thoughts/Notes**

# DAY 13 | ...OUR PEACE

Isaiah 26:3 “You will keep in perfect peace, those whose mind is stayed on you, because he trusts in you.” The Bible is full of promises for us to embrace. Peace is one of those promises that we can take a large part in receiving. It was from a place of deep peace that Jesus walked the earth as a living example of the true power and love we can walk in. He faced trials and challenges and even joys of every kind - all from a place of peace. Peace is powerful. It will allow you to stand in the middle of a storm and declare it to stop, and it will allow you to stand in the face of an enemy and allow Heaven to fight for you. It is difficult when situations around us bring chaos to our doorstep, but God’s peace allows us to let go of needing to understand how it is going to change and trust that it is. It sets us in a powerful place of prayer - where we can affect the change that matters most anyway!

## Prayer:

*Heavenly Father, Thank You for Your promise to keep in perfect peace those whose mind is stayed on You - teach us to keep our minds stayed on You. Today we ask You for peace! The peace that surpasses all understanding from Phillipians 4:7. Father, come and rest on our hearts and on our lives. Speak peace to our storms and remind us to be anxious for nothing, but to come to You in prayer about everything. God, let Your peace be what rules and reigns in our hearts. Father, let us pour out Your peace everywhere we go and with every person we come into contact with. That You would make us powerful peace bringers! In Your Name we pray, Amen.*

## Thoughts/Notes

# DAY 14 | ...OUR COURAGE

Are you still experiencing that peace that passes all understanding we prayed about yesterday? God's peace is a powerful place to abide. Peace empowers us to walk in wisdom, to do great things and go great places. If there were ever a time to cling to and follow peace, it's today! In John 14:27 Jesus says to His followers, "I leave the gift of peace with you - my peace. Not the kind of fragile peace given by the world, but My perfect peace. Don't yield to fear or be troubled in your hearts - instead, be courageous!" Isn't it just like building blocks coming together as we rebuild? We need the foundation of strong faith, healthy identity, and peace that passes understanding, in order to revive our courage! We are absolutely called to live courageously. It doesn't take much courage to live as the world lives, but to walk in grace, to be like Jesus, to turn the other cheek, to stand firm in the face of opposition, and to be known by our love - now THAT takes courage. Will you choose to partner with God's call and revive your courage today?

## Prayer:

*Heavenly Father, Thank You for providing all of the things we need to live a courageous life for You. Thank You for calling us and allowing us to play a part in Your master plan and that our courage matters. Jesus we ask today, that You would remove anything in our hearts and in our lives that would hinder us from living courageously for You. Father, we pray that you would continue to rest on us and speak to us clear direction and wisdom. Teach us, in this volatile time, when to speak and when to be silent; what to do and how to navigate life in ways that are pleasing and acceptable to You. God may we truly and deeply be known by our love - by Your love! Stir up our courage Jesus!! Amen.*

## Thoughts/Notes

# DAY 15 | ...OUR JOY

James 1:2 tells us to “Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance.” Interesting that that verse directs us to value strengthening perseverance over the pain of trials. When we look at Jesus’ sacrifice and the way it is described and viewed in Heaven’s eyes, there is one common word used - Joy. It is sobering and difficult to consider the pain Jesus had to endure as joy, but maybe again, it is because our understanding of joy is different from God’s. Hebrews 12:2b **“...Because his heart was focused on the joy of knowing that you would be his, he endured the agony of the cross and conquered its humiliation, and now sits exalted at the right hand of the throne of God!”** When we keep our eyes on eternal things, on the people that will be impacted, and the growth that will come, we can find joy in the difficult things that we face! The promises of God and living in His higher ways are sure to fill your life with joy! Choose Joy!

## Prayer:

*Jesus we thank You for Your powerful example of enduring the cross for the joy set before You (us!). Father God we thank You that You gave Your only son with the joy of relationship and eternity with us on Your mind. We thank You that Your promises are true and steadfast. We thank You that You promise us in Your word that those who go out weeping, carrying a seed to sow, will return with songs of joy, carrying sheaves with them {Psalm 126:6} God, would You come and fill us with Your joy! Would come and move inside of us to rebuild, repair, and revive our joy! That Your joy would truly be our strength again! In Your Name we pray, Amen.*

## Thoughts/Notes

# DAY 16 | ...OUR COMPASSION

Compassion literally means “to suffer together” It is defined as the feeling that arises when you are confronted with another’s suffering and feel motivated to relieve that suffering. Different from empathy alone, compassion is empathy that is moved to action. In a year where being ‘moved to action’ was greatly hindered, and people were in need of compassion at every turn, it’s probably safe to say that our compassion was impacted and may be in need of some rebuilding and reviving! The best news here is that we serve a God of great compassion! His reserves never run dry and as we press into Him. We can tap into and be filled up with His compassion when ours feels worn or dry. When we take initiative to seek out the compassion and renewal we need personally, from healthy relationships, counseling, or time with Jesus, we are able to be ready to pour out compassion when people around us need it the most!

{Reading suggestion: Romans 12:9-16}

## Prayer:

*Heavenly Father, thank You for Your compassion toward us. Thank You that Your eyes are always turned to those who hurt. Thank You that You are always there for me when I am hurting or struggling. God, I pray today that You would refresh my compassion for others and that You would move deeply on my heart again, and that the things that move Your heart would genuinely move mine. I pray that the things that move You to action, would move me to action. I long to impact the world with Your love, Amen.*

**Thoughts/Notes**

## DAY 17 | ...OUR HEALTH

Jesus loves you so much. Sometimes we just need to be reminded of that truth and take the time to really accept the fact that our Heavenly Father cares so deeply for us. Now is the time to claim the victory in our health and the health of our family and friends that are hurting or sick. It's time to reach out for a touch from heaven. Maybe for you it's one more time out of a hundred, in faith for the healing and wholeness that God desires for us! In Matthew 8:2 a man with leprosy approaches Jesus and kneels before Him and says "Lord If you are willing..." Jesus' response is so clear and powerful ..."I am willing". Today, let's reach out one more time, in full faith, and let's pull down some of those miracles from heaven we are waiting on or maybe haven't asked for yet! Who or what are you standing in faith for today?? He is WILLING!!!

### Prayer:

*Heavenly Father, Thank You that You are our Healer and that You are willing and eager to heal us! Your Name is Jehovah Rapha, the God who heals! We believe that every knee will bow to You including the name of each and every sickness and disease that comes against our bodies. Today, we ask for healing; for miraculous and divine healing and wholeness in our bodies. Thank you Jesus for Your sacrifice on the cross, so that we may freely and rightfully receive miraculous and abundant healing. We claim and declare, by the truth of Your word {Isaiah 53:5}, that by Your stripes, we ARE HEALED In Jesus Mighty Name! Amen.*

### Thoughts/Notes

# DAY 18 | ...OUR FAMILIES

Family is a beautiful thing. It is such a powerful invitation to relate with people of different ages, personalities, and struggles. It is the best teacher of love, loyalty, and empathy. While some family relationships have been strengthened, some are in need of rebuilding. Let's spend some time today praying for each member of our family and the relationships represented there. Then, let's pray for families around us to thrive, for siblings to create lasting and healthy bonds, for parents to love and lead their children in excellence and for marriages to thrive! In a world where it seems we have pressure to compete to have a better appearing family than the next one, let's cling to the truth that when families around us thrive, we are all strengthened!

## Prayer:

*Father! Thank You for the gift of family! Thank You for the opportunity to love on some of Your favorite people, day in and day out. Thank You for grace and for the gift of reconciliation and grace to pour out on each other. God, we lift up the siblings; Jesus bring creative grace and love for them to offer each other. God, we pray for parenting patterns that are not life giving or healthy and we ask right now for a supernatural interruption and renewing in Jesus Name! God rescue those kids that are being raised in ways that make Your heart hurt. God, I pray that You would reignite the fire in marriages in our community! Jesus, relight the flames of passion and let forgiveness flow in every area it is needed! Father, we lift up extended family relationships and we ask for peace and grace and strength in Jesus Name. Let our families thrive like You created them to! In Jesus Name, Amen!*

## Thoughts/Notes

# DAY 19 | ...OUR RELATIONSHIPS

We were not created to do life alone. We were also not created to live in offense, strife, and turmoil. Romans 12:18 instructs us that “If it is possible, as far as it depends on you, live at peace with everyone.” Regardless of differing opinions or hurts of the past, we are called to, at the very least, treat others with honor and live in peace. We can disagree and still be friends. We can create healthy boundaries and still walk in peace. The only way to walk this out in a realistic and genuine way is to spend some time and effort becoming more and more rooted in forgiveness. We can become so rooted in forgiveness that we keep some in our pocket, so to speak, for a rainy day. We can walk in forgiveness before an offense occurs if we are diligent to love others with the love of Christ. Forgiveness is contagious. Forgiveness is more powerful than we may ever know. After all, it is forgiveness that pays our way to eternity in heaven. When we take the time to reflect on our past and then to hear the words from God over us “I forgive you” it becomes really hard to hold on to unforgiveness of others. God doesn’t make us grovel on the ground to pour out forgiveness, He offers it freely. We are at our best, when we willingly offer to choose to do the same. It doesn’t take much forgiveness to transform a family or a home; the heavy lifting is done. Do your part today! Reach out to someone you were in relationship with last year, that you aren’t with now. Unity is more powerful than division.

## Prayer:

*Jesus come! Bring reconciliation to friends and communities! Father create in us pure hearts. Create in us eyes to see others the way You see them. Remind us of the great and extravagant way that You have forgiven us and give us the resolve to let go of any and every offense we are holding or carrying. Bring a powerful healing and rebuilding in relationships and friendships Lord., Bring truth, pour out abundant grace, and give us a greater capacity for forgiveness, Jesus! Let us be filled with grace and kindness. Let us forgive like You forgive!! In Your Mighty Name, Amen!*

**Thoughts/Notes**

## DAY 20 | ...OUR COMMUNITY

Our communities (and so many communities) have experienced great pressure and distress in so many ways. It is in this time, that we are and can be the light of the world that will draw all men unto Him! We have seen hundreds of new families walk in our doors in the last few months. This is not an accident - we are being entrusted with God's most precious treasures - His kids! In John 6:44 Jesus said "No one can come to me unless the Father who sent me draws them..." The Holy Spirit is moving on hearts and is already moving mightily in our community. We get to play a role in His master plan. Let's wholeheartedly grab onto that privilege and love and welcome and serve our community well. Ephesians 1:17 "I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom and revelation, so that you may know Him better." Let's not give up on spending time in prayer and crying out for each and every person in our community to know Him better!

### Prayer:

*Heavenly Father, we ask that You would give us, our entire community, the Spirit of wisdom and revelation so that we may all know You better. We ask, Lord, that You would draw hearts unto You. That You would place us and all believers strategically in the paths of those who need You the most, the ones that are most influential, the ones that are lost or hurting or broken. Jesus, come and breathe new life over every aspect of our community. From finances, to relationships, to divisions, to our health and our leadership - come Lord Jesus! We love You and we long for You to come!! Help us to rebuild and move forward to make up lost ground and lost time. Bringer of peace, creator of all, come and do what You do - revive our cities!!*

### Thoughts/Notes

# DAY 21 | ...OUR FUTURE

God has great things for your life - for your family's lives - for our community, our state, and for our world! Treasures hidden at every corner if we are willing and in tune. As we close this 21 days of prayer, let's continue to live a life of surrender and perpetual hope in a Mighty God that loves us! Jeremiah 29:11 "For I know the plans I have for you declares the Lord! Plans to prosper you and not to harm you, plans to give you a hope and a future!" Today, let's ask God to rebuild our plans, our dreams, and our visions for the future! To repair and to give us the grace and strength to repair valuable broken things in our lives. To cry out to Him to rest in His Holy Spirit on us to revive us! In all that we do, and everywhere we go, let's commit to His presence, with a devotion to Him so deep and so in tune that we resolve that we will not go unless He's in it!

## Prayer:

*Heavenly Father, Thank You that You have great things in store for us, for our kids, our marriages, our relationships, our finances, our church, our community, and our Nation! We trust in You fully. We love You and we want what You want. God, continue to come in and rebuild, repair, and revive! Come and rest Your presence here, on us. Individually and as a church, Holy Spirit, come and rest here! We don't want it if You're not in it!! Give us the unity and wisdom to continue Your call on our lives to help people know You more, to help set the captives free, to lift up the broken hearted, the hurting, and the lost. God, help our time here to make an impact on eternity! Thank You, Jesus, for all that You've done and for all that You will do!! We love You! In Your Mighty Name we pray, Amen!!*

## Thoughts/Notes
